I am (leadership position or organization), and it's my pleasure to welcome you. This program is sponsored by (list organizations).

Our speaker today is Cam Adair.

Cam Adair is a Canadian-born speaker, YouTuber and pioneer on video game addiction. He's the founder of Game Quitters, the world's largest support community for video game addiction, with members in over 50 countries. A talented hockey player, Cam's life took a dramatic turn at the age of 11 when he began to suffer from intense bullying, leading Cam to drop out of high school, not once but twice. He never graduated and never went to college. He spent the next year depressed, living in his parents basement playing video games up to 16 hours a day, until the age of 19 when he made a commitment to change.

Now as a motivational speaker he travels around the world sharing his message on how we can harness the adversity we face as fuel for growth, connection and purpose. Devoted to the community he shares weekly videos on YouTube, and in his spare time, he enjoys traveling, DJing and surfing. Cam lives in San Diego, California.

Please welcome Cam Adair.
