

DISCUSSION QUESTIONS

BOBBY GORDON

Beyond Alcohol: The Other Drug Category

- What is one new thing that you learned?
- How did that challenge prior information or your perception you previously had on that topic?
- What are some strategies that you and your friends can implement to make safer decisions?
- How did the alcohol “growing down” scenario align to either your own experience or experiences you may have witnessed?
- What are some campus and community resources you can seek out if you or a friend need help?
