## JUSTIN JONES-FOSU

My name is \_\_\_\_\_. I am (leadership position or organization), and it's my pleasure to welcome you to today's High Energy Experience. Out of respect to our speaker and our audience, please take this time to set your cell phone to silent. Thank you.

This program is sponsored by (list organizations).

I have the honor of introducing our very bald speaker for today. Justin Jones-Fosu has been named one of *Ebony Magazine's* Top 30 Young Leaders, has been featured in *Smart CEO Magazine* and is the author of the popular new book, *Finding Your Glasses: Revealing and Achieving Authentic Success*.

You may wonder what's more important than that, and it is actually quite simple. Justin likes to wear socks with his sandals. Yes, I said it. Don't judge him. He calls his socks "sexy" and his sandals "and I know it." While walking he is sure to avoid stepping on dangerous Party Rocks. Justin is also a certified expert in teaching people around the world how to Dougie.

What's even more important than the accolades and his world wide Dougie training exploits, is the amazing love he has for his baby's mother, which happens to be his wife of six years.

So, ladies and gentlemen, get ready for a presentation EXPERIENCE like never before. Learn why High Energy plus Practical Content plus Humor equals the Justin Inspires Experience.

Please help me welcome Mr. Justin...Jones...Fosu.
