## **DAVID OTUNGA**

### **Climbing Mountains to Reach Your Dreams**

- We all have “dreams” and an ideal life we wish we could live. What are your dreams?
- If you don’t know what your dream is, ask yourself, “what are you passionate about?”
- If you could do “X” and it would get you up out of bed each day eager to start your day, what would “X” be?
- What is stopping you from achieving your dreams?
- Has anyone ever told you that you couldn’t reach your goals or that your dream is possible to achieve? What did they say to you? What did you do after that?
