## **JAMES ROBILOTTA**

### **More Action, Less Title: Empowering Student Leaders to Do More**

- How would you describe the dissemination of leadership in your organization?
- What would new members say about their experience in your organization three, six and twelve months after they joined?
- Is your meeting style conducive to the sharing of ideas and the sharing of responsibilities? Why or why not?
- How do you appreciate your members individually on a month-to-month basis?
- If the school year ended today, would everyone in your organization say they had a part in the work that was done and the successes you had?
