JITESH JAGGI

My name is (Speaker's Full Name). I am (leadership position), and it's my pleasure to welcome you.

Jitesh Jaggi has lived several lives: an investment banker, a teacher, a writer, and an award-winning performer. Apart from these professional capacities, Jitesh immersed himself in storytelling where he won back-to-back The Moth Story Slams. He was thoroughly weirded out when on a road trip in Arizona he heard his story played on public radio all over the country.

Jitesh has taught in schools and colleges about the power of personal stories and their impact on everyday communication and in advancing social action. He was born and brought up in India- the land of endless stories and currently lives in Chicago- the land of endless winters. He loves writing bios because he can refer to himself in the third person. Jitesh would like you to take a break from your phones and take in some stories.

Please join me in welcoming Jitesh Jaggi
