

DISCUSSION QUESTIONS

DR. STACEY PEARSON-WHARTON

What to do when you step into the Multicultural Poo?

- What is the area you think you are more likely to step into the Multicultural Poo?
(Social Economic State, Race, sexual orientation, gender identity expression, ability status, national origin, age, religion or something else?)
- What is your reaction about Dr. Stacey's premise that everybody has some bias somewhere?
- What is the place you are least likely to step into the Multicultural Poo? Why?
- What will you do differently the next time you step into the Multicultural Poo?
- What can you do in the next 5 days to decrease the likelihood of "stepping in it"?
