

INTRODUCTION

LORIN PHILLIPS

My name is (Speaker's Full Name). I am (leadership position), and it's my pleasure to welcome you. This program is sponsored by (list organization sponsors).

Lorin Phillips is an educator invested in helping students talk about tough but critical conversations. She has been involved with Fraternity and Sorority Life since college and currently is the Associate Executive Director of Enablement for Tri Sigma.

Lorin believes in approachable prevention education. Her goal is to help students/communities recognize and confront harmful behaviors with confidence. In her 20+ years in the field, she has seen firsthand what is possible when people find their voice, and realize that safety and harm reduction is less about rules and more about caring about your own well-being and about those around you.

When she's not supporting student leaders and communities, you'll most likely find her biking, on the water, or throwing the ball with her dog Millie who has an endless amount of energy.

Please help me welcome Lorin Phillips.
