

INTRODUCTION

DR. AFI JAFFE (AH - DEE)

My name is (Speaker's Full Name). I am (leadership position), and it's my pleasure to welcome you. This program is sponsored by (list organization sponsors).

Our speaker today is Dr. Adi Jaffe (pronounced AhDee). He has spoken to tens of thousands of college students across the country, had given two TEDx talks that have been viewed by nearly half-a-million people and has been featured on dozens of TV shows discussing mental health, addiction and the magic of transformation.

Some fun facts:

Adi was born in Israel and yes, he likes Hummus on almost everything... A father of 3, Adi still wonders sometimes when exactly he'll become an adult and he's pretty sure the answer is Never... He went to school out west, at UCLA (and no he's never met Snoop Dog's son), where he received each of his three degrees... Adi is here with us today to share some thoughts, some research and some personal stories.

Please welcome Dr. Adi Jaffe!!
