

INTRODUCTION

JUSTIN JONES-FOSU

My name is _____. I am (leadership position or organization), and it's my pleasure to welcome you to today's High Energy Experience. Out of respect to our speaker and our audience, please take this time to set your cell phone to silent. Thank you.

This program is sponsored by (list organizations).

I have the honor of introducing our speaker for today and there is something very important you should know about him. Well...our speaker is very, very, VERY BALD!

Justin Jones-Fosu has been named one of Ebony Magazine's Top 30 Young Leaders and was selected as a HOT ACT in 2015 by Campus Activities Magazine. He was a Fraternity leader, president of 3 campus organizations, all while serving on the SGA Executive board (in case you were wondering...not at the same time).

You may wonder what's more important than that, and it is actually quite simple. Justin likes to wear socks with his sandals. Yes, I said it. Don't judge him. He calls his socks "sexy" and his sandals "and I know it." Justin is also a certified expert in teaching people around the world how to Dougie. What's even more important than the accolades and his worldwide Dougie training exploits, is the amazing love he has for his baby's mother, which happens to be his wife of eleven years.

So, ladies and gentleman get ready for a new student EXPERIENCE like never before as you see how to put on 15 pounds of success. Engage not only your Why but your Now as you build a plan for your collegiate experience. See how high-energy, humor, and practical content collide to create the Justin Inspires Experience.

Please help me welcome Mr. Bald himself...Justin...Jones...Fosu.
