## **JAMES ROBILOTTA**

### **Will They Make Fun of My Sheets?**

- What is one thing you are looking forward to in your first year?  
What is one thing you are nervous about?
- What is one expectation that you have of your first year at college?  
Where did that expectation come from and how do you envision it playing out?
- What is a skill you have always wanted to develop?
- How do you plan to contribute to the campus community?
- What do you want to be able to say at graduation about what you did for the last four to five years?
