

INTRODUCTION

JAMES ROBILOTTA

My name is _____. I am (leadership position or organization), and it's my pleasure to welcome you.

This program is sponsored by (list organizations).

Our speaker today is James Robilotta (ROW-Bill-Lotta). He has spoken to thousands of college students around the country. But rather than bore you with a list of awards he's won and places he's worked, here are some much more interesting facts about James:

He grew up in Sayville, New York: voted the friendliest town in America in 1994.

He earned his BS in Marine Biology at UNC, Wilmington, he then, naturally, got his Masters in Counseling Education from Clemson University.

He is a proud brother of Iota Phi Theta Fraternity, Incorporated.

He is currently a paid freestyle rapper in New York City.

He dislocated his right knee at his senior prom dancing to Shania Twain's unfortunate hit, "Man, I Feel Like a Woman."

James is here today to share with us his thoughts on leadership that will help us all take our organizations and communities to the next level. He is also going to tell a joke or two, please attempt to laugh where you see fit.

Please welcome James Robilotta.
